Funkytown, nasty
(Hey, listen to the man)
(Rap Godfather)
(Payback), (cold-blooded)

People, people
We got to get over
Before we go under, yea Lord!
People, people
We got to get over
Before we go under

Hey, country
Didn't say what you meant
Just changed
Brand new funky President

Stock market going up
Jobs going down
And ain't no funkning
Jobs to be found

Taxes keep going up
I changed from a glass
Now I drink from a paper cup
It's getting bad

People, people
We got to get over
Before we go under

Listen to me
Let's get together and raise
Let's get together
And get some land

Raise our food like the man
Save our money like the Mob
Put up a fight down on the job

(Go on, rap baby)
(Tell em, Godfather)

Turn up your funk motor
Get down and praise the Lord
Get sexy, sexy
Get funky and dance

Love me, baby, love me nice
Don't make it once
Can you make it twice
I like it

People, people
We got to get over
Before we go under
People, people
Well, well, well
Before we go under

Turn on your funk motor
I know it's tough
Turn on your funk motor
Until you get enough

Hey, give yourself a
Chance to come through
Tell yourself, I can
Do what you can do

(Hey, listen to the man)
(Rap, Godfather)
(Payback), (cold-blooded)

People, people
People, people
Hey, people, people
Don't you see what's going on

People, people
We got to get together
Get on the good foot
Change it, yeah

Got to get together
And get some land
Raise our food just like the man
Hey, hey, hey, hey, hey

I got to say it again
We got to get together
And buy some land
Raise our food just like the man

Save our money, do like the Mob
Put up your fight right on the job

We gotta get over
Before we go under
Time's getting short, Lord

Country, do you know
Just what I meant
We just changed, we got
A brand new funky President

I need to be the Mayor
So I could change
Some things around here
I need to be the Governer
I need to be the Governer
