Funky town, nasty  
Hey, listen to the man  
I'm the Godfather  
Payback  
Cold blooded

People, people, we got to get over  
Before we go under, [Incomprehensible]  
People, people, we got to get over  
Before we go under

Hey, country  
Didn't say what you meant  
You just changed  
Brand new funky President

Stock market goin' up, jobs are goin' down  
And ain't no funkning jobs to be found  
Taxes keep goin' up, I changed from a glass  
Now I drink from a paper cup, gettin' bad

People, people, we got to get over  
Before we go under

Listen to me, let's get together and raise  
Let's get together, get some land  
Raise our food like the man  
Save our money like the Mob  
Put up [Incomprehensible] on the job

[Incomprehensible]  
Tell 'em, Godfather  
Hello

Turn on your funk motor  
Get down and praise the Lord  
Get sexy, sexy  
Get funky and dance

Love me, baby, love me nice  
Don't make it once

But can you make it twice?  
I like it

People, people, we got to get over  
Before we go under  
People, people, well, well, well  
Before we go under

Turn on your funk motor  
I know it's tough  
Turn on your funk motor  
Until you get enough, yeah

Hey, give yourself a  
Chance to come through  
Tell yourself, I can  
Do what you can do

Hey, listen to the man  
I'm Godfather  
Payback  
Cold blooded

People, people  
People, people  
Hey, people, people  
Don't you see what's goin' on?

People, people, we got to get together  
Get on the your foot, change it, yeah  
Got to get together and get some land  
Raise our food just like the man  
Hey, hey, hey, hey, hey

I got to say it again  
We got to get together, buy some land  
Raise our food just like the man  
Save our money, do like the Mob  
Put up your [Incomprehensible] on the job

We gotta get over  
Before we go under  
Time's gettin' short, Lord

Country, do you know  
Just what I meant?  
We just changed  
We got a brand new funky President

I need to be the Mayor  
So I can change the things around here

I need to be the Governor  
I need to be the Governor  
I need to be the Governor
