Fellas, I'm ready to
Get up and do my thing
I want to get into it
Man, you know

Like a, like a
Sex machine man
Moving, doing it, you know
Can I count it off

One, two, three, four

Get up (get on up)
Get up (get on up)
Stay on the scene (get on up)
Like a sex machine (get on up)

Get up (get on up)
Get up (get on up)
Stay on the scene (get on up)
Like a sex machine (get on up)

Get up (get on up)
Stay on the scene (get on up)
Like a sex machine (get on up)

Wait a minute
Shake your arm
Then use your form
Stay on the scene
Like a sex machine

You got to have the feeling
Sure as you're born
Get it together
Right on, right on

Get up (get on up)
Get up (get on up)
Get up (get on up)

Get up (get on up)
Get up (get on up)
Get up (get on up)
Get up (get on up)

You said, I said
I got the

I said the feeling
You got to get
Give me the fever
In a cold sweat

The way I like it
Is the way it is
I got mine
Don't worry bout his

Get up (get on up)
Stay on the scene (get on up)
Like a sex machine (get on up)
Get up (get on up)
Get up (get on up)

Bobby, should I take em
To the bridge (go ahead)
Take em on to the bridge
(Take em to the bridge)
Can I take em to the bridge
Take em to the bridge

Hear me now, come on
Stay on the scene
Like a sex machine
The way I like it
Is the way it is
I got mine, dig it
He got his

Stay on the scene
Like a loving machine
Stay on the scene
Like a loving machine
Stay on the scene

I wanna count off
One more time now
You wanna hear it like
You did on the top, fellas
Hear it like you did on the top
Hit it now

Get on up (get on up)
Get up (get on up)
Get up (get on up)
Get on up (get on up)

Stay on the scene (get on up)
Like a loving machine (get on up)
Get up (get on up)

Taste (get on up)
A piano (get on up)
Taste (get on up)
A piano (get on up)

Get up (get on up)
Get up (get on up)
Stay on the scene (get on up)
Like a sex machine (get on up)

You got to have the feeling
Sure as you're born
Get it together
Right on, right on

Right on, right on
(Right on, right on)
Right on, right on
(Right on, right on)
Right on, right on
(Right on, right on)

Get up (get on up)
Get up (get on up)
And then shake your money maker
Shake your money maker
Shake your money maker
Shake your money maker
Shake your money maker
Shake your money maker

Get up (get on up)
Get up (get on up)
Get up (get on up)
Get up (get on up)
Get up (get on up)

Get up (get on up)
Get up (get on up)
Get up (get on up)

Can we hit it like we did
One more time from the top
Can we hit it like that
One more time, one more time
Let's hit and quit (go ahead)

Can we hit it and quit (yeah)
Can we hit it and quit (yeah)
Can we hit it and quit (yeah)
Hit it
