I don't mind your love

I don't mind the one

You're thinking of

But I know, I know

You're gonna miss me

I don't mind

Your body and soul

I don't mind your

Love growing cold

But I know, I know

You're gonna miss me

I don't mind

This is my song

I don't mind

Goodbye, so long

I know, I know

You're gonna miss me

Yeah

I know, I know

I know, know, know

Know, know, know, know
