This is a man's world  
This is a man's world  
But it wouldn't be nothing, nothing  
Without a woman or a girl

You see man made the cars  
To take us over the road  
Man made the train  
To carry the heavy load

Man made the electric light  
To take us out of the dark  
Man made the boat for the water  
Like Noah made the ark

This is a man's, man's, man's world  
But it wouldn't be nothing, nothing  
Without a woman or a girl

Man thinks about a little bit of baby girls  
And a baby boys  
Man makes them happy  
'Cause man makes them toys

And after man's made everything  
Everything he can  
You know that man makes money  
To buy from other man

This is a man's world  
But it wouldn't be nothing, nothing  
Not one little thing  
Without a woman or a girl

He's lost in the wilderness  
He's lost in bitterness  
He's lost
