It's A Man's Man's Man's World

James Brown

Words & Music: James Brown - B. Newsome

Notes : first record on June 6th, 1964

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or
a girl

You see, mn made the cars to take us over the road
Man made the trains to carry heavy loads
Man made electric light to take us out of the dark
Man made the boat for the water, like Noah made the
ark

This is a man's, a man's, a man's world
But it wouldn't be nothing, nothing without a woman or
a girl

Man thinks about a little baby girls and a baby boys
Man makes them happy 'cause man makes them toys
And after man has made everything, everything he can
You know that man makes money to buy from other
man

This is a man's world
But it wouldn't be nothing, nothing without a woman or
a girl

He's lost in the world of man
He's lost in bitterness
