One, two
One, two, three

Hey, everybody
Let me tell the news
Hey, everybody
Let me tell the news

Hey, everybody
Let me tell the news

It ain't just soul
It ain't just soul, uh uh
It's just rhythm and
Just rhythm and blues

Lookie here

Hey, baby, let yourself go
Hey, baby, let yourself go

You're too sharp
You ain't too sharp, uh uh
Ain't too sharp, lookie here
One more time, uh uh uh
Ain't too sharp, ain't too sharp

You're just too stupid
To let me dance, I wanna prance
I got to talk, just let me walk
Got to, I've got to, got to, hey

Everybody
Let me tell the news
Everybody
Let me tell the news
Hey, everybody, uh
Let me tell the news

Ain't too sharp, ain't too sharp
Ain't too sharp, you're just too

I wanna dance, I've got to prance
I wanna feel the love you deal
You've got to feel, yes
You've got to, got to
I've got to feel, give it to me

You've got to let me, uh
Uh uh, let me, let me have it
Uh uh uh uh...

I've got to, got to, I've got to, uh
Uh uh, I've got to, let me
I've got to, tell me...
