Oh, I'm a fool for you  
I'm a fool for you  
If you want me to, baby  
I'll break some rules for you

(Means I'm a fool for you  
I'll be a tool for you)

Ain't nothing, baby  
I wouldn't do for you  
Now listen

I'd walk through the  
Burning desert sand  
Just to walk beside you  
And hold your little hand

I'd make you  
A rainbow in the sky  
Just to master the facts  
Of how they glitter in your eye

I'm a fool for you, baby  
I'm a fool for you  
If you want, baby  
I'll break all the rules for you

(Means I'm a fool for you  
I'll be a tool for you)

Ain't nothing, baby  
I wouldn't do for you

(Maybe work two jobs  
Seven days and nights a week  
You can do most anything  
Yours to do whatever you please)

Yes, I'm a fool for you  
I'm a fool for you  
It ain't nothing in this world  
I wouldn't do for you

You can use me  
You can accuse me  
(Use my heart  
For a stepping stone)

Take my soul, baby  
I'm yours to hold now  
(I'd cut myself  
Right down to the bone)

I'm a fool for you, baby  
I'm a fool for you  
I'm a fool for you, baby  
I'm a fool for you
