Said I wasn't gonna  
Tell nobody else  
But I just can't keep it  
All to myself now

For as long as I've  
Been running around  
I finally met a little girl  
That really got me down now

Baby, you've got  
My mind messed up  
Little girl, little girl  
You sure got my  
Mind messed up now

I go to bed alone  
And I can't sleep  
Sit down at the table  
Ooh, Lord, I can't eat

Somebody, please, please  
Help me now, oh, oh, oh

Sugar plum dancing on in my mind  
Every day you're with me  
Seem like Valentine's now

I walked a rainbow, Lord  
And I chained the moon  
Walk around the world  
And get back before noon

Baby, you've got  
My mind messed up  
Darling, sure got my  
Mind messed up now

Eyes wide open, Lord  
And I can't see  
Anywhere the woman go  
She can lead for me

Somebody just gotta  
Just gotta help me  
Oh, oh wee, oh, now

Baby, you've got  
My mind messed up now  
Sure got my mind  
Messed up now

You my love  
With all of my heart  
I'll do anything  
You want me to do

For you  
I'd climb the highest mountain  
Baby, for you  
I'd swim the deepest sea

Anywhere you go  
You can lead for me

I, I love you  
Oh, I love you  
I, I love you, baby
