This Too Will Pass  
Rev James Cleveland  
Duet I've had heartaches like this before  
And disappointments by the score  
I claim the victory at last  
Choir This too will pass

Duet I've had heartaches like this before  
And disappointments by the score  
I claim the victory at last  
Choir This too will pass

Duet I've had heartaches like this before  
I've had disappointments by the score  
I claim the victory at last  
Choir This too will pass

Chorus The sun will shine, it can't rain all the time  
Those clouds of gray  
Lead Will have to pass away, away, away  
Choir YEAH!

Lead So bare your heartaches your grieves and pain  
Whether the sunshine and the rain  
Just know it can not last  
Choir This too will pass

Chorus The sun will shine, it can't rain all the time  
Those clouds of gray  
Lead Will have to pass away, away, away  
Choir YEAH!

Lead So bare your heartaches your grieves and pain  
Whether the sunshine and the rain  
What you're going through can not last, Hallelujah  
Choir This too will pass, this too will pass, this too will  
pass  
This too will pass, this too will pass, this too will pass

Vamp This too, this too will pass  
This too, this too will pass  
This too, this too will pass

This too, this too will pass (repeat as directed)
