Baby please, baby please, come back to me  
Baby please, baby please, come back to me  
You see, because I am a prisoner  
I need your love to set me free

I know my tears are wasted  
And I know I've cried in vain  
Although I've lost myself a good woman  
But our love is just the same

I cried please, baby please, come back to me  
You see, because I am a prisoner  
I need your love to set me free

I woke up early one mornin'  
Before the night was gone  
I looked at the bed beside me  
And guess what, I was all alone

I cried please, baby please, come back to me  
You see, because I am a prisoner  
I need your love to set me free

I know my tears are wasted  
And I know I've cried in vain  
Although I lost myself a good woman  
But our love was just the same

I cried please, baby please, come back to me  
Because I am a prisoner  
I need your love to set me free
