Come back, baby  
Please do not go  
How much I love you

Come back, baby  
Talk it over one more time

Love you, woman  
You know that I do  
Love you, baby  
All the way through

Come back, baby  
Talk it over one more time

I woke up this mornin'  
Baby, you've gone  
Is there any crime without doubt?

Come back, baby  
Talk it over one more time

Come back, oh, to me  
Love you, baby  
Oh, set me free

Come back, baby  
Talk it over one more time

Come back, girl  
Please do not go  
How much I love you  
You never know

Come back, baby  
Talk it over one more time
