YING YANG

I got a black cat bone just to see what it could do,
I'm sorry pretty baby, I'm gonna use it on you.
I've got some silver bullets, I've got a wooden stake.
Great God all mighty, I've got whatever it takes.

Hoodoo the voodoo to you, baby, cant you see.
Hoodoo the voodoo to you, mama, it's me.

I'm a ying yang touza-mungo bow-tie yea,
scream, pretty baby, but you can't get away.
I'm a ying yang touza-mungo bow-tie yea,
scream, pretty baby, just remember what I say.

I can mumble the jumbles, eat three ton stud.
Got a zombie seven, I've got some miscuit mud.
Got heebie-jeebies personally workin' for me.
Great googly-moogles, I've got the voodoo key.

Hoodoo the voodoo to you, baby, cant you see.
Hoodoo the voodoo to you, mama, it's me.

I'm a ying yang touza-mungo bow-tie yea,
scream, pretty baby, but you can't get away.
I'm a ying yang touza-mungo bow-tie yea,
scream, pretty baby, just remember what I say.

Hoodoo the voodoo to you, baby, cant you see.
Hoodoo the voodoo to you, mama, it's me.
