All the words I can recall

Could never capture all

The loveliness of you

All the phrases I might sigh

Could never tell you why

I want so much to hold you and enfold you

All your love, bring to me

Come to me, darling, cling to me

And I promise you that

All my life I'll give my all

No task will be too small

And nothing be above me if you love me

All your love, bring to me

Come to me, darling, cling to me

And I promise you that

All my life I'll give my all

No task will be too small

And nothing be above me

If you love me

I will give my all
