When somebody loves you  
It's no good unless he loves you  
All the way  
Happy to be near you  
When you need someone to cheer you  
All the way

Taller than the tallest tree is  
That's how it's got to feel  
Deeper than the deep blue sea is  
That's how deep it goes if it's real

And when somebody needs you  
It's no good unless he needs you  
All the way  
Through the good old lean years  
And for all the in-between years  
Come what may

Who knows where the road will lead us  
Only a fool would say  
But if you'll let me love you  
It's for sure I'm gonna love you  
All the way  
All the way

All the way  
Come what may

Who knows where the road will lead us  
Only a fool would say  
But if you'll let me love you  
It's for sure I'm gonna love you  
All the way  
All the way
