Dancing in the dark
Till the tune ends
We're dancing in the dark
And it soon ends
We're waltzing in the wonder of why we're here
Time hurries by, we're here and gone

Looking for the light
Of a new love to brighten up the night
I have you, love, and we can face the music together
Dancing in the dark

What though love is old?
What though song is old?
Through them we can be young
Hear this heart of mine
Make yours part of mine
Dear one tell me that we're one

Looking for the light
Of a new love to brighten up the night
I have you, love, and we can face the music together
Dancing in the dark

Looking for the light
Of a new love to brighten up the night
I have you, love, and we can face the music together
Dancing in the dark
Dancing in the dark
Dancing in the dark
