I've got you under my skin
I've got you deep in the heart of me
So deep in my heart
You're really a part of me

I've got you under my skin
I've tried so not to give in
I've said to myself this affair
Never will go so well

So why should I try to resist
When baby, I know so well
I've got you under my skin

I'd sacrifice anything come what might
For the sake of having you near
In spite of a warning voice that comes in the night
And repeats in my ear

Don't you know fool, you never can win
Use your mentality, wake up to reality
And each time I do, the thought of you
Makes me stop before I begin
'Cause I've got you under my skin

I would sacrifice anything come what might
For the sake of having you near
In spite of a warning voice that comes in the night
And repeats in my ear

Don't you know fool, you never can win
Use your mentality, wake up to reality
And each time I do, just the thought of you
Makes me stop before I begin
'Cause I've got you under my skin

'Cause I've got you under my skin
'Cause I've got you under my skin
