Night and day, you are the one
Only you beneath the moon and under the sun
Whether near to me or far
It's no matter, darling, where you are
I think of you night and day

Day and night, why is it so
That is longing for you follows wherever I go?
In the roaring traffic's boom
In the silence of my lonely room
I think of you night and day

Night and day, under the hide of me
There's an oh, such a hungry yearning
Burning inside of me
And it's torment, won't be through
'Til you let me spend my life making love to you
Day and night, night and day

Night and day, under the hide of me
There's an oh, such a hungry yearning
Burning inside of me
And it's torment, won't be through
'Til you let me spend my life making love to you
Day and night, night and day

And it's torment, won't be through
'Til you let me spend my life making love to you
Day and night, night and day
