Smoking. Drinking
Never thinking of tomorrow
Non-chalant
Diamonds shining, Dancing, Dining
With some man in a restaurant
Is that all you really want

They say into your early life romance came
And in this heart of yours burned a flame
A flame that flickered one day and died away
Then, with disillusion deep in your eyes
You learned that fools in love soon grow wise
The years have changed you somehow, I see you now

Smoking, Drinking
Never thinking of tomorrow
Non-chalant
Diamonds shining, Dancing, Dining
With some man in a restaurant
Is that all you really want

Oh No, Sophisticated Lady, I know
You miss the love you lost long ago
And when nobody is neigh
you're side

Smoking, Drinking
Never thinking of tomorrow
Non-chalant
Diamonds shining, Dancing, Dining
With some man in a restaurant
Is that all you really want

Oh No, Sophisticated Lady, I know
You miss the love you had long ago
And when nobody is neigh
you're side
You cry
you're side
