I can see all the things that used to be there,  
So much I wish I was suspended in a different time.  
The radio waves are creeping along the corridor,  
At thirty-three a minute we'd better stay inside.

Run run, Romeo run,  
Leave the demons behind.  
Run run, Romeo run,  
Leave the devils behind.  
Run run, Romeo run,  
This is your last stand.  
Run run, Romeo run,  
Leave the demons behind.

The blue I wear is not so beautiful anymore,  
There's always something in my mind that I should've  
done.  
The radio waves are creeping along the corridor,  
At thirty-three a minute we'd better stay inside.

Run run, Romeo run,  
Leave the demons behind.  
Run run, Romeo run,  
Leave the devils behind.  
Run run, Romeo run,  
This is your last stand.  
Run run, Romeo run,  
Leave the demons behind.

Run run, Romeo run,  
Leave the demons behind.  
Run run, Romeo run,  
Leave the devils behind.  
Run run, Romeo run,  
This is your last stand.  
Run run, Romeo run,  
Leave the demons behind
