The Sky is Crying

by E. James, M. Levy, C. Lewis

performed by Stevie Ray Vaughan

The sky is cryin. Can't you see the tears roll down
the street

The sky is cryin. Can't you see the tears roll down
the street

I've been looking for my baby

And I wonder where can she be

I saw my baby early one morning. She was walking on
down the street

I saw my baby early this morning. She was walking on
down the street

You know it hurt me, hurt me so bad

Made my poor heart skip a beat

[guitar solo x2]

I've got a real real real real bad feelin that my
baby she don't love me no more

I've got a real real bad feelin that my baby
don't love me no more

You know the sky, the sky's been cryin
can't you see the tears roll down my nose
