What are you doing there?  
you're running down your pencil?  
Said you know what I did,  
but you don't have the info.  
Don't get the picture.  
You can't even draw, what you hear.  
I don't know what you saw.  
Maybe it isn't clear, 'cause from here,  
baby, it looks like you're drawing

conclusions. I don't do it.  
I trust you, just trust me.  
Draw, the picture, right.  
Why would you draw?  
A waste of time.  
Drawing conclusions,  
don't think you should be  
drawing conclusions, why?  
When you could draw, us..  
In love..

It isn't even rare,  
baby, you need a stencil.  
look like you need a hand.  
Baby, it isn't simple.  
Are you finished?  
You're stressing me out.  
THAT's the truth you were racing around.  
Listen in detail, cause from here,  
it looks just like you're drawing

conclusions, I dont do it.  
I trust you, just trust me.  
Draw, the picture, right.  
Why would you draw?  
A waste of time.  
Drawing conclusions.  
Don't think you should be  
drawing conclusions, why?  
When you could draw, us.  
In love..

Not perfect but why cant it.  
Be more like the titanic!  
If we're going down there,  
let me draw us smiling.

Draw, the picture, why?  
Why would you draw?  
A waste of time.  
Drawing conclusions.  
Don't think you should be  
drawing conclusions, why?  
When you could draw us,  
in love.
