girl i remember when you was like everything to me  
told me what you wanted, you got it  
it was that easy  
bought you them shoes from dior  
buying out the store  
thought i was all you needed but still you needed more  
thought you was so fly, had your head up in the sky  
but you forgot it, you gave it away

now you at home, sad and looking lonely  
love is all gone  
and now you're looking for me  
i thought that you'd be the one to make me better  
(better)  
ain't no way we can put it back together  
cos now we're so far apart  
sad and looking lonely  
now you all on me (on me)  
cos now we're so far apart  
you say we do it better  
wanna feel the level (level)  
cos now we're so far apart  
now (?)  
i'm too busy to listen (listen)  
cos now we're so far apart  
(?)  
ain't got that inside ya (inside ya)

now you don't understand why i can't let you back in  
(no baby)  
calling me late at night talking like we're best friends  
and i remember how i tried just to make you smile  
and wake up by your side but all my feelings died  
now i'm off to the next, won't be upset  
now look at you, the one who fell off the game

now you at home, sad and looking lonely  
love is all gone  
and now you're looking for me  
i thought that you'd be the one to make me better  
(better)

ain't no way we can put it back together  
cos now we're so far apart  
sad and looking lonely  
now you all on me (on me)  
cos now we're so far apart  
you say we do it better  
wanna feel the level (level)  
cos now we're so far apart  
now (?)  
i'm too busy to listen (listen)  
cos now we're so far apart  
(?)  
ain't got that inside ya (inside ya)
