I need you now, I need you big,
Cut in your rhythm, just set me free!
All I need is love,
All I need is the beat,
All I need is the rhythm,
Just set me free!

Feel the rhythm tonight!
Tonight, tonight!
The rhythm tonight!
... never see the cigarettes, the flame,
It was love from the million miles away!
Hard in the car, take me as far as you can go,
Cause I wanna love you a million different ways!
never lost,

Chorus:
I feel the rhythm calling me every night,
It's pulling harder, I'm not driving the fight!
The way you're dancing on this beat is alright,
I need to feel ya, feel ya, rhythm tonight!
Rhythm tonight!
Tonight, tonight,
Feel your rhythm!
Tonight, tonight,
Feel your rhythm!
Tonight!

I need you here,
Don't even know your name,
Love how you dance, like you've never been afraid!
Love made me run, but I run into you,
I wanna keep it running to the DJs like my heart!
Oh,.

Chorus:
I feel the rhythm calling me every night,
It's pulling harder, I'm not driving the fight!
The way you're dancing on this beat is alright,
I need to feel ya, feel ya, rhythm tonight!
Rhythm tonight!

Tonight, tonight,
Feel your rhythm!
Tonight, tonight,
Feel your rhythm!
Tonight!
