I know a guy who believes in love,  
And every night I be thinkin' of him  
Cause I'd really love (love) to love you girl (?)  
He know a girl and she's got a friend  
And she gotta pretend her loves for him  
Ohkaay that girl is me yeyeay

How come cupid never falls in love (?)  
I bet somebody must've broke his heart  
If he fell in love with me, I'd make him so happy  
Fell in love, fell in love with me.

He's picked up this one and that one  
Then every last one woahh  
But he never goes  
Out on his own lookin' for a girl  
Ohh of his own  
You know I can have him,  
Right now I'm yours  
Girl just sit back,  
I know it's time

How come cupid never falls in love (?)  
I bet somebody must've broke his heart  
If he fell in love with me, I'd make him so happy  
Fell in love, fell in love with me.

To anybody that wants loooooove  
To anybody that needs ohh looove  
You can help me out son if you could tell me how come  
heeeeeee....

I bet somebody must've broke his heart  
If he fell in love with me, I'd make him so happy  
Fell in love, fell in love  
How come cupid never falls in love (?)  
I bet somebody must've broke his heart  
If he fell in love with me, I'd make him so happy  
Fell in love, fell in love with me.
