[Verse 1:]

At home when I done that easily
So pay attention don't you run away
Say baby I'm not trying to run a race
Goodbye is a word I'm not even gonna say

[Bridge:]

You left me lonely I was home a lot
I didn't know if you were gone or not
You gotta say it if you wanna leave or stay
Cause I'm not gonna fade

[Chorus:]

If I only knew what to do
To get it right
Time you owe me now
If I only knew what to do
To prove to you I'm not afraid to fight
I'm not scared to kill time
I'm not scared to kill time
I'm not scared to kill time

[Verse 2:]

Just like a perfect movie scene to me
Got you exactly where you need to be
Watching the clock I got you needing me
Breathing me, want me and you're seeing me

[Bridge:]

You left me lonely I was home a lot
I didn't know if you were gone or not
You gotta say it if you wanna leave or stay
Cause I'm not gonna fade

[Chorus:]

If I only knew what to do
To get it right
Time you owe me now
If I only knew what to do
To prove to you I'm not afraid to fight
I'm not scared to kill time

I'm not scared to kill time
I'm not scared to kill time

[Verse 3:]

All my time is gone
You put the knife in it ain't no hope in rewinding it baby
All my mind is gone
Yeah it's decided I ain't tryna rewrite it babe
I'll wait here forever as long as you're by my by my side
Cause it's only right

[Chorus:]

If I only knew what to do
To get it right
Time you owe me now
If I only knew what to do
To prove to you I'm not afraid to fight
I'm not scared to kill time
I'm not scared to kill time
I'm not scared to kill time
