Ooo it's beautiful all the red and blue flashin lights
And you in your uniform
I know it was you that saved my, saved my life
Let's get the questions out the way baby
He went that way but I'm here
It looks a little weird I know
But darling know I swear that

Chorus:
I'm innocent
Handcuff me if you don't believe me
I swear I'm innocent
Just cleanin up the murder scene you left me
Listen to me baby I'm innocent
All I need is a little savin'
And all I need is you to protect me
Baby keep me safe

Oooo it was so close
My whole life flashed before my eyes
Clues ah they're everywhere
Broken hearts all around but that's alright
Let's get all this mess out of the way baby
No one's around but I'm here
You've got nothing to fear
'Cause baby I swear that I am

[Chorus:]
I'm innocent
Handcuff me if you don't believe me
I swear I'm innocent
Just cleanin up the murder scene you left me
Listen to me baby I'm innocent
All I need is a little savin'
And all I need is you to protect me
Baby keep me safe
