You're telling me it's over now, it's like you turned the volume down.
Now I can't even hear a sound (Hear a sound)
It looks like you're about to leave, now it's getting kind of dark to me.
Cause that aint something I can see.
It's like I'm getting worse everyday, girl I'm breaking down.
I got my heart on the floor and I can't feel it, everythings numb.

Now I'm senseless, got no feeling left.
My pain won't let this heart beat in my chest. Now I'm senseless, why we doing this.
Damn I'm losing it, oh oh. Oh.
Senseless.

It feels like I lost your love since I had to give you up.
And now I'm so out of touch. (Yeah)
The other day I smelled your scent, you came across like punishment.
The better taste is lingering.
My senses don't seem to escape all the feelings gone.
I'm cold and lost with no direction and everything's numb.

Now I'm senseless, got no feeling left.
My pain won't let this heart beat in my chest.
Now I'm senseless, why we doing this.
Damn I'm losing it, oh oh. Oh.

I think it smells like rain, water on the floor.
But I don't know cause I'm so gone, can't even see tomorrow coming.
I'm, I can't even hear myself scream.
I can't even feel anything.
I would die to love you, if I could.
Girl I'm so -

I'm senseless, got no feeling left.
But my pain won't let this heart beat in my chest.
Now I'm senseless, why we doing this.

Damn I'm losing it, oh oh. Oh.
Senseless.

(Oh, oh oh. Senseless)
