There you are smiling like the last time
That I saw you're face,
Smiling like it's the last time,
But I take your smile everywhere I go,
I'll take it ?? last times,
And I take your smile every time I go
Because it's brighter than sunshine

Chorus:
From a thousand miles (a thousand miles)
I see you smile
You know I'm never lost (i'm never lost)
I see you smile,
I see you smile, I see you, I , I see you smile
I see you smile, I see you, I , I see you smile

There you are smiling like the last time
That I saw you're face,
Smiling like it's the last time,
But I take your smile everywhere I go,
I'll take it ?? last times,
And I take your smile every time I go
Because it's brighter than sunshine

Chorus:
From a thousand miles (a thousand miles)
I see you smile
You know I'm never lost (i'm never lost)
I see you smile,
I see you smile, I see you, I , I see you smile
I see you smile, I see you, I , I see you smile.
