This ain't nobody first the last time, last time
Said your body hurt bad time
I was holdin right
couldn't show you that side of me
Bad time in me breaking back style on me
Girl you probably shouldn't tell
every single person nigga flows
What you're tryin to share we're ..
We're trippin though ooh ooh ooh
So baby love me one more

Hook:
And i trust you,
Trust makes a nigga feel good
Baby can i trust you
Can i trust you till your body feels good
Then i trust trust trust trust i really want you
Then i trust trust trust trust
I really want you
And i trust you
Trust makes a body feel good

They say ..the best next time
We go so convinced that i'm gonna show you back
You got something inside of you
Freak side of you i'm inside of you
Girl you probably shouldn't tell
every single person nigga flows
What you're tryin to share we're ..
We're trippin though ooh ooh ooh
So baby love me one more

Hook:
And i trust you,
Trust makes a nigga feel good
Baby can i trust you
Can i trust you till your body feels good
Then i trust trust trust trust i really want you
Then i trust trust trust trust
I really want you
And i trust you

Trust makes a body feel good

[Hook:]
