I Walked All Around, Like 9000 Miles, I Lost All Them
Pounds For You.
And It Cost Every Dime
I Lost All My Mind For You, For You.
Girl I Can't Find My Way At All.
Lost The Map To Your Heart,
Now, You Waiting For Me Somewhere All Alone.
Tell Me How Does It Feel?
You Don't Know What You Lost, Do You? Do You?

You Keep Trying, You keep Trying, You Keep Trying
..Don't Stop.
You Keep Crying, You Denying, But You Lieing Alot.
Girl You Dieing..Girl You Lieing..if You like It Or Not
Its On You, It's On You

Chorus

(Check It Now My Baby)
Who's The Loser Now?
(Check It Now My Baby)
Who's The Loser Now?
(Check It Now My Baby)
You Look Stupid Now..The Lost And found
(Check It Now My Baby)
Who's The Loser Now?
(Check It Now My Baby)
Who's The Loser Now?
(Check It Now My Baby)
You Look Stupid Now.The Lost And Found, Who Got You
Now?

Verse 2

I Walked All Around, 10000 miles
You've Looked Everywhere For Me.
Then You Lost All Your Smiles And I Think That's Kinda
Funny To Me.
Girl You Don't Hardly Know Where You Supposed to Go
No signs On The Road For Youuu.
Damn You Lost All your Hope, And That Kinda Blows For

You,For You.

You Keep Trying,You keep Trying,You Keep Trying
..Don't Stop.
You Keep Crying,You Denying,But You Lieing Alot.
Girl You Dieing..Girl You Lieing..if You like It Or Not
Its On You,It's On You

Chorus

(Check It Now My Baby)
Who's The Loser Now?
(Check It Now My Baby)
Who's The Loser Now?
(Check It Now My Baby)
You Look Stupid Now..You Lost And found

(Check It Now My Baby)
