Forgive your friends
They usually don't mean it
And in the end
Their words aren't worth their meanings
Apologies are gifts
Accept them with a smile on your
Apologies are gifts
Without them you'd be on your own
You'd be on your own
Forgive your friends
Even when they hurt you badly
You have to help them up
When they trip over your feelings
Apologies are gifts
Accept them with a smile on your face
Apologies are gifts
Without them you'd be on your own
you'd be on your own
you'd be on your own

Mistakes, mistakes, mistakes
We all make them
Apologies are gifts
Accept them with a smile on your
Apologies are gifts
Without them you'd be on your own
You'd be on your own
