The enemy is trying to make me believe
That my past is who I am
That the mistakes I made from yesterday
Is all that I would ever be
They told me I would be nothing
Nobody in my family ever was
They said you're just like your momma
Just like your daddy
Never amounted to anything

Pre Chorus

But that's not me, that's not who I am
God gave me a promise, on that I stand

Chorus

The curse is broken
My past can't hold me
I'm more than a conqueror
That's what he told me
The curse is broken
My body's healed
The devil's a liar
It's in his will

Verse

Pre Chorus

Vamp

The mistake, is not who I am
The lies they told, is not who I am
My past, is not who I am
The curse is broken in my life
The abortion, is not who I am
The misfortune, is not who I am
The disease, is not who I am
The curse is broken in my life
I'm healed, that's who I am
I'm free, that's who I am
I'm a conqueror, that's who I am
The curse is broken in my life
I'm blessed, I'm delivered, I'm redeemed

The curse is broken in my life
