God of love
God of power
The only reason that I am still here
God of mercy
Your hand of grace
Touched my life, I'm forever changed
Life was empty until You came in
When I was weak You showed me your strength
Now I'm convinced I can do anything with You

With You I find my strength
With You I can hold on
With You I know I am covered
No greater power than You
Nobody's greater than You

God of love
God of power
The only reason I am still here
God of mercy
Your hand of grace
Touched my life, I'm forever changed

God of love
God of power
The only reason I am still here
God of mercy
Your hand of grace
Touched my life, I'm forever changed

Life was so empty until You came in
When I was weak You showed me Your strength
Now I'm convinced that I can do anything with You

With You I find my strength
With You I can hold on
With You I know I am covered
No greater power than You
Nobody's greater than You

With You I find my strength
With You I can hold on

With You I know I am covered
No greater power than You
Nobody's greater than You
