On This Christmas Night

I'm turning out the light  
I gently close the door  
We'll put a candle in the window tonight  
Bright as a star to be a guiding light  
To welcome you home  
On this Christmas Night  
We're sharing hope and dreams  
Beside the fire tonight  
We'll read the story about the new born King  
And hear the message when the Angel sings  
Put love in our hearts  
On this Christmas Night

(Chorus)

Let every boy and girl  
Reach out around the world  
Touch the star that makes this such a Holy Night  
And throw their eyes we will see  
What love should really be  
It's Peace on Earth  
On this Christmas Night  
So open up your hearts  
Let the spirit in  
We'll say a prayer for every soul that's alone  
And hope our guiding light will bring them home  
And may the world be at Peace  
On this Christmas Night

(Chorus)

Let every boy and girl  
Reach out around the world  
Touch the star that makes this such a Holy Night  
And throw their eyes we will see  
What love should really be  
It's Peace on Earth  
On this Christmas Night  
Let every boy and girl  
Reach out around the world

Touch the star that makes this such a Holy Night  
And threw their eyes we will see  
What love should really be  
It's Peace on Earth  
It's Peace on Earth  
On this Christmas Night  
On this Christmas Night
