Hallelujah
I'm in love with
A girl from the country
She's got no money
It's the smile
I'm in love with
And ooh
And ooh
And ooh
And ooh

When go running
I don't care where to
Till the morning
It's a part of you that never
Dies
I'm in love with
And ooh
I give you everything you'll ever need
It all comes down to that smile
A country mile
An angel child

When night is falling
You dream of city lights
Your hair then falling
You hold my hand
And then you cry
I'm in love with you
And ooh
And i can't find any
I'll be waiting then
It all comes back to
Your half-smile
Country mile
Angel child
Want you to stay
Want you to sway
Want you
I do
I'm in love with you
I'm in love with you
