You and i
Are one and two
If you kill
We were both torn in two
You and i
Are one and two
Both our hearts
Beat as one, dear
And you
But is it okay
Is it okay
If i run away
It is okay
When your love has faded away
If i hold you tight and never let go
If i hold you tight and never let show
The way i feel
All around me
I know it's you

You and i
Are hopeless too
If i give you all my heart could
And i'm true
All my life i waited for
And there's nothing left
No there's no-one else
To live for
Any more
But is it okay
Is it okay
If i
I can escape
Your faith
Will need just one more longer
Day
Aaaah
Aaaah
Aaaah
If i hold you tight and never let go
If i hold you tight and never let show
The way i feel deep inside of me

I swear it's you
If i hold you tight and never let go
If i hold you tight and never let go
If i hold you tight and never let go
If i hold you in my arms
Forever
All around me
All around me
And i swear it's you
