Open your eyes
Now what do you see
Your man in love standing right where you need me to
be
Oh my love
Take your time
You're such a part of me.

Come taste the wine
I'll take you somewhere
The romantic music just flows in the air and we'll be
Wrapped up in memories

Chorus:
I do believe
I believe in those love songs (in those love songs)
They were written for our lovers those songs
I believe in those magic words
The sweetest melodies that I've ever heard

You touched my life
In so many ways
The sound of your laughter the joy that we share
everyday
I'm in love
When you smile
Something comes over me.

I cherish our lives
The good and the bad
The songs and the sweet times with all that we've had
I'm pleased
Of all of those memories

Chorus
I do believe
I believe in those love songs (in those love songs)
They were written for our lovers those songs
I believe in those magic words
The sweetest melodies that I've ever heard
(Repeat)

Bridge:

La, la, la, la, la, la, means I love you
You're the only one I want and need
Sweetest melodies reminds me of your tenderness
And I hear them on the radio

Chorus:

I do believe
I believe in those love songs (in those love songs)
They were written for our lovers those songs
I believe in those magic words
The sweetest melodies that I've ever heard
(Repeat)
