Compliment what she does
Send her roses just because
If it's violins she loves
Let them play

Dedicate her favorite song
And hold her closer all night long
Love her today
Find one hundred ways

Don't forget, there could be
An old lover in her memory
If you need her so much more
Why don't you say?

Maybe she has it in her mind
That she's just wasting her time
Ask her to stay
Find one hundred ways

Being cool won't help
you keep a love warm
You'll just blow your only chance
Take the time to open up your heart
That's the secret of romance

Sacrifice if you care
Buy her some moonlight to wear

If it's one more star she wants
Go all the way

In your arms tonight, she'll reflect
That she owes you the sweetest of debts
If she wants to pay
Find one hundred ways

In your arms tonight, she'll reflect
That she owes you the sweetest of debts
If she wants to pay
Find one hundred ways

You better believe it, oh
Love her today
Find one hundred ways
I'm telling you to
Love her today
Find one hundred ways

Woh woh
Love her today
Find one hundred ways
You've got to
Love her today
Find one hundred ways

Love her today
Find one hundred ways
