James:

I can't pretend I wasn't lonely, Solitude was all I knew.
I was so afraid of pain, So afraid to let love in my life
again.

Sally:

You don't have to be an angel, I'll accept you as you're.
Lovin' you for love's own sake.....
Let me hold your heart, and it'll never break.

*

James: Sally:

I do understand. I do understand.

A woman & a man. A woman & a man.

James: Strength in tenderness....

Together:

There's a power in love.

Sally: James:

You've given me. It's the greatest gift.

The vision now to see. Oh....

Together:

I believe in love, just because of you*

James:

We both know life isn't easy.

Sally:

We've been around a block or two.

Together: I know where I need to be... I know enough to
know that. I'm in love. I know enough to know it's you.

Repeat *

James:

I can look at you, and see right through.

Sally:

You're a part of me, you live inside me.

James:

There's a magic in.

Sally:

It's a basic need.

James:

A woman and a man.

Together:

Even when you're not within my sight. I can feel you in

my life.
