I see you here with me
I've waited all my life for someone like you
Someone to give my heart and soul to

I look into your eyes
Your love for me was such a welcome surprise
I think at last I've found forever

But what about me?

What about me?

You were my love before
But I need so much more of you

Time after time I feel I'm losing my mind
Or maybe this is what lovers must go through
It never entered my mind
We could be wasting our time
What am I gonna do?
But what about me?

No reason to pretend
True love affairs don't have to come to an end
The moment we don't have all the answers

I nearly go insane
Each and every time I hear you whisper my name
I feel the same when I'm around you

But what about me?

What about me?

This is so hard for me
I wanted so much to be with you

Time after time I feel I'm losing my mind
Or maybe this is what lovers must go through
It never entered my mind
We could be wasting our time
What am I gonna do?

But what about me?
