I pray the lord your eyes
Then keep me in vision throughout
All my blind times, yeah

And the sadness decides to be
My best friend once again
And just stay close to me, yeah

You, you, you
You've got so much lovin'
You've got a whole lot of soul
More than in rainbow
You, you, you
You've got so much lovin'
You've got a whole lot of soul
More than in rainbow

I'd like to be in a place
Where the birds fly so high
And I can look down
And see a lil' bit of
All of you, all of me
Singin' up you'all, singin'

I pray the lord your eyes
Then keep me in vision throughout
All my blind times, yeah and

And the sadness she decides
She decides to be here
My best friend once again

Just stay closer

You, you, you
You've got so much lovin'
You've got a whole lot of soul
More than in rainbow
And you, you, you
You've got so much lovin'
You've got a whole lot of soul
More than in rainbow

I've seen it in black yeah
I've seen it in white
I've seen it in you
Oh what a sky
I've felt it in here
I've touched it in you
It's a fearless harmony for
All in you

You, you, you
You've got so much lovin'
You've got a whole lot of soul
More than in rainbow
You, you, you
You've got so much lovin'
You've got a whole lot of soul
More than in rainbow
You, you, you
You've got so much lovin'
You've got a whole lot of soul
More than in rainbow...
