Oh tell me  
I'm strong enough to hear it  
You're so good  
I've thrown all your lies to me  
Oh tell me  
'Cuz I'm sick of the shallow  
Conversation  
So let's take a swim  
In the deep, the deep, deep waters  
'Cuz I like to live there  
'Cuz your no good without your mind goes break  
So don't play me hallow  
'Cuz I'd rather know  
There is time when to divide so I can let go  
So I can let go  
Tell me you did me  
You did me wrong boy  
So go play your feelings  
And just stay up all night  
I'd rather be sleeping  
Then sit around and wait for you  
So I won't fill up my mind  
If you're still confused  
So don't play me hollow  
'Cuz I'd rather know  
There is a time when they all divide  
So I can let go  
So I can let go  
Tell me do you think of me when it's cold outside  
Do you wish you could give me your jacket and hold me  
by your side  
Forgive you find someone to have known you like you  
always do  
I won't be your feel for you  
So don't play me hollow  
'Cuz id rather know  
Don't play me hollow  
'Cuz id rather know  
Let's get the time when they all divide so I can let go  
Don't play me hollow  
'Cuz id rather know

There is a time when they all divide so I can divide so I  
can let go  
Let's get the time when they all divide so I can let go  
So I can let go
