Here I am, here I stand
Took a picture of my hand,
Bet you can tell it's not manicured.
Here I am, half a man,
I'm not a Doctor, I'm not tan,
And I never helped the score.

I drive too fast, the team picked me last
I break the rules and like it.
My body curves, I forget the words,
I miss the serve and lost it.

All my flaws, to see
But you still love, love me.

Here I am face down,
Sometimes I smile or frown
But it depends on the time of the day.
Here I go, off the road,
Spend cash on my clothes when I still have bills to pay.

My skin isn't clear, haven't spoke in a year.
'Cause still have fear I'm trying to overcome.
My truths aren't right, my jeans are too tight.

When I pick a fight, I turn to run.

All my flaws to see,
But you still love, love me.
All my flaws to see,
But you still love, love me.
Yeah, yeah.

Even when I sin, I don't fit in.
'Cause I got burned, when I waited my turn.
Don't act my age, I don't want to.
Call it phase, call me taboo.
Won't do as I'm told, to believe.
I wear my heart, on my sleeve, yeah, whoaa.

So all my flaws to see, 'cause you still love, love me.
So all my flaws to see, 'cause you still love, love me.

Ohhh,ohh,oh,oh.
Here I am,here I stand,
Took a picture of my hand,bet you can tell it's not
Manicured....
