Compare the way my body, looks to the magazines.  
Don't know why everybody's, buying into the scene.  
So I'm gonna drive down the boulevard,  
Not caring who has a faster car.  
Tone down the makeup, and the noise.  
'Cause what's inside will bring the boys.

I don't wanna look at you because you're,  
Too perfect, too perfect.  
And I don't wanna fill your shoes because it's,  
Not worth it, it's not worth it.  
I don't fit the mold I am real.  
Too colorful, to conceal.  
Imperfect is the new perfect,  
Imperfect is the new perfect  
(The new perfect, the new perfect, new perfect).

If skins and bones is the secret, to all your happiness.  
Then pop your pills 'cause the money,  
Is never gonna last.  
So save the plastic for the toys,  
Come out your shell, just make a noise.  
I'm gonna run, I'm gonna live, I'm gonna smile  
And not fit in.  
I'm gonna dance, I'm gonna strut,  
I'll shake my curves and not give a fuck!

I don't wanna look like you because you're,  
Too perfect, too perfect.  
And I don't wanna fill your shoes because it's,  
Not worth it, it's not worth it.  
I don't fit the mold I am real.

Too colorful, to conceal.  
Imperfect is the new perfect,  
Imperfect is the new perfect.

Just dry your eyes, your beautiful.  
I understand it's logical.  
'Cause these images are everywhere, they're make  
belief.  
So don't compare, I don't wanna compare.

We're every shape and size, you know we're,  
Just perfect, just perfect.  
We love our hips, our thighs because they're,  
Just perfect, just perfect.  
I don't fit the mold I am real.  
Too colorful, to conceal.  
Imperfect is the new perfect,  
Imperfect is the new perfect.

I don't wanna look like you because you're,  
Too perfect, too perfect.  
And I don't wanna fill your shoes because it's,  
Not worth it, it's not worth it.  
I don't fit the mold I am real.  
Too colorful, to conceal.  
Imperfect is the new perfect,  
Imperfect is the new perfect  
Imperfect is the new perfect,  
Imperfect is the new perfect  
Imperfect is the new perfect,  
Imperfect is the new perfect  
Imperfect is the new perfect,  
Imperfect is the new perfect  
Imperfect is the new perfect
