Nikki was the kind of girl
All dressed up in all her curls
They Served it on a silver plater
She had everything in this world

oh no don't go down that road
on no don't forget your home
'cause I've been there I can relate
come back babe it's not to late

Nikki had the connections
Never used protection
She gave it up when people seemed to care
To fight the fear of rejection

Oh no don't go down that road
oh no don't forget your home
'cause I've been there I can relate
Come back babe it's not to late

Nikki take a look around
Whitewash speakers with no sound
They tell you everything you want to hear
But never save you lost ????

Oh no don't go down that road
Oh no don't forget your home
'cause I've been there I can relate
Come back babe it's not to late.
