Look around and see the world
Taking every boy and girl
Nothings wrong and nothing right
Stand in the way, Put up a fight
See the war and look around
Whoï½ll pick these people off the ground
I feel so helpless everyday
Does it help when I pray

Children everywhere are growing fast
How long will this wilderness last

TODAY TODAY
WHATï½S GOIN ON, WHATï½S GOIN ON
CUZ I NEED TO SAY
TODAY, TODAY
WHATï½S GOIN ON, WHATï½S GOIN ON
TAKE ME TO A BRIGHTER DAY

Turn the new on every hour
Donï½t care about the weather showers
Take it in, brush it off
Come inside, make it stop
Climb the ladder, make a living
Whats the point of the giving
What can just one person do
If I gave all that I had for you?

Fast forward to see what this is for
Somethins better for us theres got to be more
