You'll never see the tears I cry  
You'll never feel my heart in pain  
You'll never know the reasons why  
I'll never fall in love again You can stare into mens'  
eyes  
And give them love that's a pack of lies  
You're out on the streets again and alone, whoa I  
wanna say I love you  
But you don't really care  
Pull the knife out from my back  
Who said that love was fair? You'll never see the tears I  
cry  
You'll never feel my heart in pain  
You'll never know the reasons why  
I'll never fall in love again I'm sleeping all alone tonight  
No time to bleed, no time to fight  
I built a wall around my heart, whoa It's sad when no  
one loves you  
Is that so hard to bear?  
A life that's lost to loneliness  
Who said that love was fair? You'll never see the tears I  
cry  
You'll never feel my heart in pain  
You'll never know the reasons why  
I'll never fall in love again You'll never see the tears I  
cry  
You'll never feel my heart in pain  
You'll never know the reasons why  
I'll never fall in love again You'll never see the tears I  
cry  
You'll never feel my heart in pain  
You'll never know the reasons why  
I'll never fall in love again You'll never see the tears I  
cry  
You'll never feel my heart in pain  
You'll never know the reasons why  
I'll never fall in love again
