Rehabilitated me  
You want me to lie  
Free to go out on the streets  
My fears in overdrive

I'll stick out as if I'm an alien  
Just like that kid that never quite fit in  
A fish in a bowl is where you'd rather me  
Make sure I'm fed and be my eyes to see

A living hell no pearly gates  
No second chance for this inmate

Don't know if I'll survive  
Doctor Jekyll or Mister Hyde  
I feel them both collide  
Not easy to decide

Why celebrate  
A waste of time  
Right here's where I belong  
They'd like to think  
They healed my wounds  
Believe me they are wrong

I did my time, I did it well  
Propaganda, learned to gel  
Can't shake the past  
They won't let me  
Infallible hypocrisy

Adieu farewell, I'm out of place  
No second chance  
It's much too late

Don't know if I'll survive  
Doctor Jekyll or Mister Hyde  
I feel them both collide  
Not easy to decide

I have no voice  
They shut me down

Who listens at any rate  
I'll chart a course  
In this playground  
And follow it one day

Typecast  
Stuck on this roundabout  
A failed system  
Inside and Out

Don't know if I'll survive  
Doctor Jekyll or Mister Hyde  
I feel them both collide  
Not easy to decide
