You think that I'm losing my mind  
You think that I'm hopelessly blind  
You think that I'm weak but I'm strong  
You think that I'm down but your wrong

You don't  
Have a clue  
Do you?

Nothing you say  
Nothing you do  
Matters to me  
It's really nothing new  
So laugh all you want  
Cause I don't give a damn  
I'm not, I'm not who you think I am

You think that I'm just a disgrace  
You think that I'm just wasted space  
You think that I'm dumb  
Well nice try.  
You think that I'm lost, it's a lie

You don't  
Have a clue  
Do you?

Nothing you say  
Nothing you do  
Matters to me  
It's really nothing new  
So laugh all you want  
Cause I don't give a damn  
I'm not, I'm not who you think I am

You don't know the first thing  
You don't know the first thing  
No.  
You don't know the first thing  
You don't know the first thing about me

Nothing you say

Nothing you do  
Matters to me  
It's really nothing new  
So laugh all you want  
Cause I don't give a damn  
I'm not, I'm not who you think I am

Nothing you say  
Nothing you do  
Matters to me  
It's really nothing new  
So laugh all you want  
Cause I don't give a damn  
I'm not, I'm not who you think I am

Who you think I am  
I don't give a damn  
Who you think I am  
I don't give a damn
